To

B. Nagappa, Esq., Bar-at-law.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Local and Legislative Department, *Bangalore.*

SIR,

I have the honour to invite reference to clause (2) of the Bye-laws sanctioned by Government in their Order No. G. 2208-10 dated 7th November 1903. according to which the management of the Sanderson Memorial Ward, Chikmagalur, vests in a Governing Body, consisting of the Deputy Commissioner and the District Medical Officer for the time being as President and Secretary respectively, and two planters elected annually by the North and South Mysore Planters' Associations, and to state that the composition of the Governing Body as at present constituted requires slight modification with reference to certain altered conditions. At the last annual meeting of the Governing Body held at Chikmagalur on the 1st April 1924, Mr. C.H. Godfrey, elected representative of the North Mysore Planters' Association, proposed that as the North and South Mysore Planters' Associations and the Bababudan Planters' Association had all been amalgamated into one Association, with effect from 1st April 1924, it was necessary that the question of the re-constitution of the Representative Members of the Governing Body should be considered. Accordingly as proposed by him, (vide extract of Resolution, herein enclosed) a reference was made to the Chairman of the Mysore Planters' Association, for an expression of the views of the combined Association on the Subject.

2. In his letter dated the 24th June 1924. (copy enclosed for reference) the Secretary, Mysore Planters' Association, has intimated that in the opinion of the Association the Composition of the Governing Body may be as noted below:-

1. Deputy Commissioner, Kadur District, President.
2. District Medical Officer, Kadur District, Secretary. } as heretofore.
3. Executive Engineer, Kadur District, (new)
4-6. Three Planters. (instead of two).

(ii) that the annual meeting of the Body be held on a fixed day, preferably in February, other meetings, if necessary, to be called on the requisition of any two members with 14 days' previous notice and that three should form a quorum.

(iii) that the Chairman of each meeting to be elected by those present.

(iv) copies of proceedings of each meeting should be furnished to each Member.

3. These proposals have my full concurrence. The addition of one more Planter to represent the interests of the Combined Association and of the Executive Engineer of the Division whose technical advice will be helpful to the Governing Body, and also the other proposals as formulated by the Association are calculated to improve the management.

4. The three Planters will be elected annually by the combined Association. The Deputy Commissioner will, as President, have the privilege of presiding over the meetings, whenever he happens to be present at such meetings.

5. With these observations, I request sanction of Government to the proposals of the Mysore Planters' Association.

I have the honour to be,
Sir,
Your most obedient Servant,

Deputy Commissioner,
Kadur District.
